This Section shall not act to prohibit heavy traffic from using a Town street or highway for the purpose of obtaining orders for supplies or moving or delivering supplies or commodities to or from any place of business or residence which has an entrance on such street or highway. Furthermore, this Section will not act to prohibit heavy traffic from using any Town streets over which are routed state trunk highways. When being driven to the site of any construction, repair or maintenance of electric, gas or water service, vehicles owned and operated by a public utility will be exempt from the provisions of this Section.
