

How do I DISPOSE of ITEMS that will not fit in my Garbage or Recycling Cart?

The Town of Grafton currently contracts with Advanced Disposal Services

Located at N7296 County Hwy V, Horicon, WI

They pick up Garbage weekly & Recycling bi-weekly.

The trucks are automated, so they ask that nothing extra be put next to the carts, only what is in the cart will be picked up.

All items must be Trash or Recyclable – NO Hazardous Waste items can be dropped off or picked up by these options.

I need to have extra larger items picked up: (see-- what they will take... for list of items)

- Advanced Disposal will send out a special truck for special pickups – please call 920-387-09878 and tell them you live in Town of Grafton and need a special pick up.

They will ask what you have and perhaps what it weights, they will charge you for this service.
