

**My Carts are not big enough to hold my weekly amount of Garbage and or Recycling**

**I continually have more Garbage/Recycling than my carts will hold:**

You may call Advanced Disposal at 920-387-0987 and tell them you are from Town of Grafton and you would like to purchase an additional Garbage and/or Recycling Cart. As per our contract each household is given 1 Garbage & 1 Recycling Cart, these as the property of Advanced Disposal for you to use.

The carts cost over \$80 each to purchase and purchased carts are your property. By purchasing extra carts this allows you to have more garbage/recycling picked up each time for no additional cost.

The Town of Grafton currently contracts with Advanced Disposal Services  
Located at N7296 County Hwy V, Horicon, WI

They pick up Garbage weekly & Recycling bi-weekly.

The trucks are automated, so they ask that nothing extra be put next to the carts, only what is in the cart will be picked up.

All items must be Trash or Recyclable – NO Hazardous Waste items can be dropped off or picked up by these options.
