

## **How do I DISPOSE of ITEMS that will not fit in my Garbage or Recycling Cart?**

The Town of Grafton currently contracts with Harter's Lakeside Disposal Located in Oostburg, WI. Waste Management picks up Garbage weekly & Recycling bi-weekly. The trucks are automated, so they ask that nothing extra be put next to the carts, only what is inside the cart will be picked up. All items must be Trash or Recyclable – **NO HAZARDOUS WASTE** items can be dropped off or picked up by these options.

### **I need to have extra larger items picked up:**

Items they can help you dispose of with a large trash pickup include:

- Appliances
- Furniture
- Mattresses
- Other items that are too large or numerous to fit in your bin

In some cases, you may need to remove doors or certain parts of your bulk or bulky items before you take them to the curb.
